## Capability Statement

[www.kmdbusinessconsultants.com](http://www.kmdbusinessconsultants.com)

KMD Consulting Governmental Services supports governmental entities – municipalities, towns, boroughs and school districts including charter schools in its management of business services. We offer support services that include, but not limited to purchasing, accounting and payroll applications, as well as management of processes and policies.

KMD Consulting Governmental Services manages many aspects of purchasing, general ledger reconciliation, payroll processes, and the preparation and development of RFP/Bid and resolutions.
